Robert Lee High School

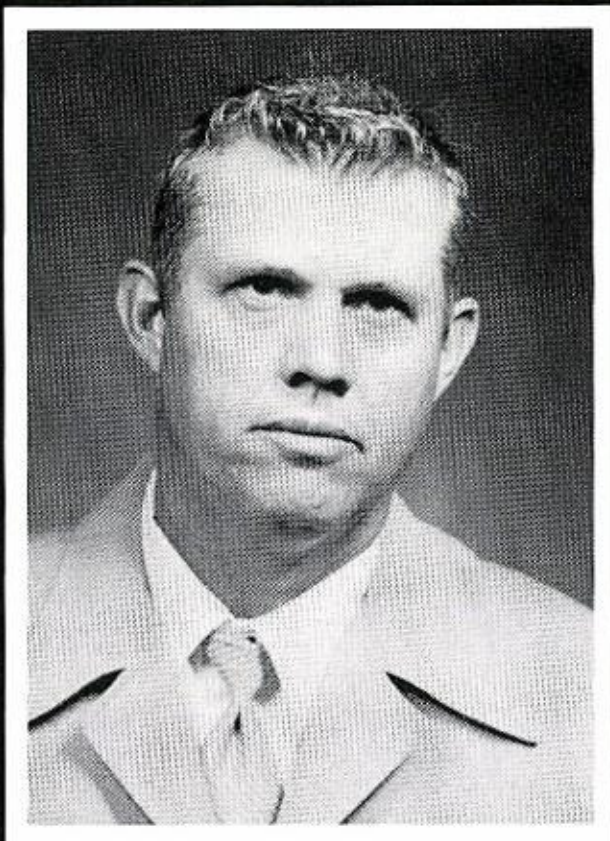

Robert Lee, Texas

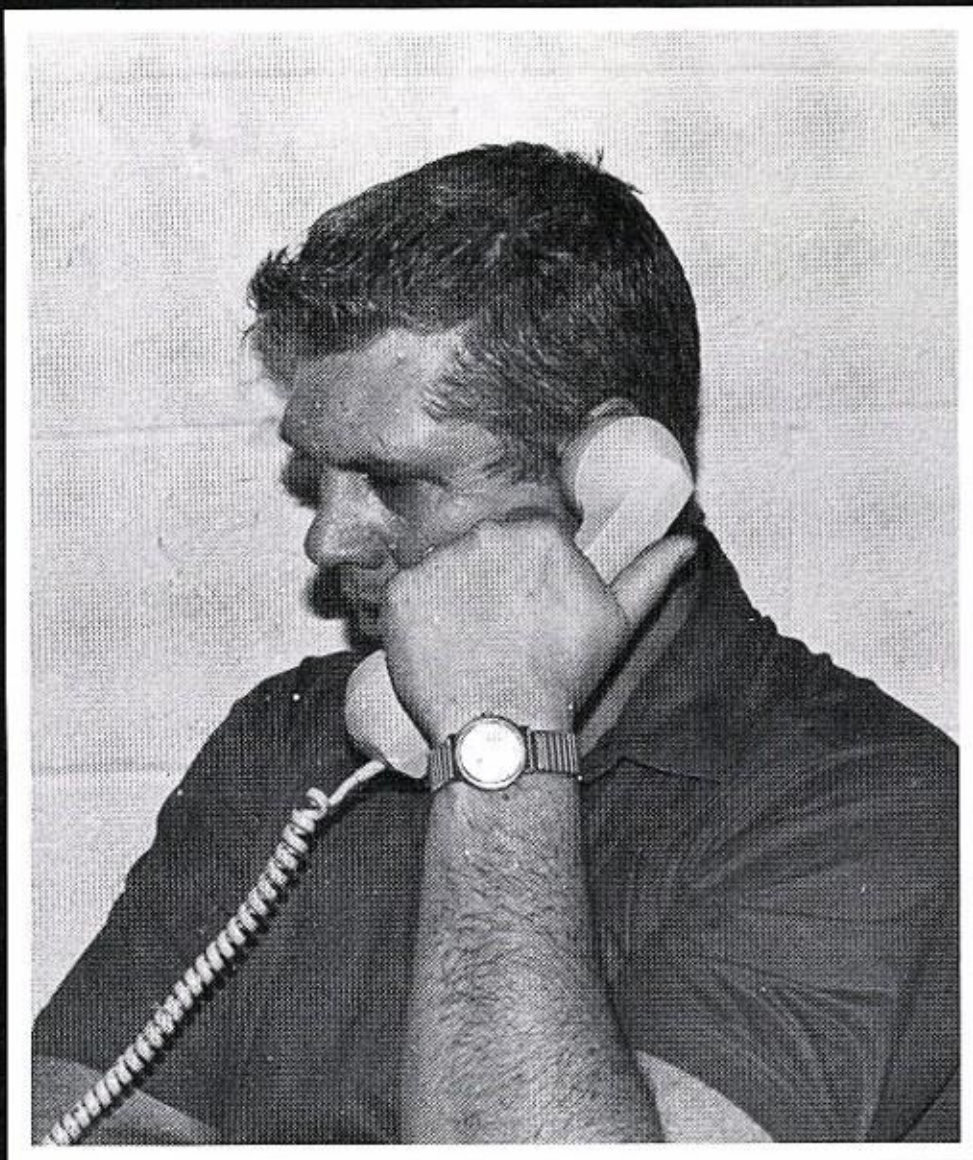

The 1981-82 Annual Staff proudly dedicates the Corral to a most deserving member of the Robert Lee High School Faculty. He has been a teacher and coach here for three years. Aside from getting many students through American and Texas history, he has shown them how to view things in a light-hearted attitude. We can even say that this man likes to travel — he has taken two of the Robert Lee Senior Classes on their trips.

Everyone should agree that Coach Edward Poehls is an asset to our school.
